1978-1979

1978

ABOUT OUR COVER

This year we dedicate our Town Report to Archie W. Lenfest. Archie has served the residents of Washington on the Board of Selectmen and Assessor for 23 years. He served as chairman of the Board for nine of those years. While serving as a municipal officer, Archie also had a full time job. He worked as store clerk from 1942 - 1973, postal clerk in the Washington Post Office from 1945 - 1973 and as R.F.D. Carrier from 1973 - 1978.

Born on a farm on the top of Washington Mountain, he is a descendant of the Lenfest family which came from Isle of Guernsey before 1840.

Archie is well-known to everyone and is remembered for his sense of humor.

Cover shots are from the two surprise parties given to Archie in honor of his retirement from U. S. Postal Service in 1978.

HEALTH OFFICER'S REPORT

This year, your local health officer has joined with The Local Health Officers Association of Maine, which is a newly formed organization under the guidance of the MMA. This organization is attempting to help local health officers in performance of their duties according to State laws and local ordinances. I have attended as many of these meetings as possible and joined the organization in the name of the Town of Washington. The association has issued a manual to aid the local officers to perform their duties.

I found this year that communicable diseases are not willingly reported to the health officer, and this in turn makes it difficult for me to report "total cases" to the Department of Health. I would ask for better communication with the townspeople simply as a matter for statistics and good record keeping.

Respectfully submitted,
JANE C. MOORE
Local Health Officer

CONSTABLES' REPORT

The constables' positions have become increasingly more active in the past two years.

During this past year the number of breaking and entering crimes has increased. Citizens are encouraged to report any suspicious activities seen, people and vehicles, and may call local authorities for suggestions on what they can do to help protect their own homes and possessions.

A privately owned low band radio was set up with alternate power source in case of a power failure with communications to Knox, Lincoln and Waldo authorities, ambulances and hospitals with a volunteer at the base standing by while constables are out on call. This radio has added greatly to the security and protection of the town, especially when outside assistance was required.

Statistical data of complaints received and investigations made by me during the year are as follows: Dog related and stray dogs, 14; Car accidents, 1; Breaking and entering, 11; Vandalism, 2; Stolen vehicles, 1; Theft, 1; Deer jacking calls, 7; Assist other police, 5; Assist motorist, 6; Assist citizen, 10; Harrassment 1; Bogus checks, 4; Civil disturbance, 4; Disturbing peace, 2; Trespassing, 5; Called for possible Breaking/Entering, 8; Called for property checks, 8; Posting of warrants in 5 public places, 3; Areas checked on a regular basis, usually weekly or every other day, 10.

VINCENT R. MECCA
Constable

SPECIAL TOWN MEETING

A special Town Meeting was held on June 24th, 1978 at Prescott Memorial School. It was voted the Selectmen seek bids for Tax Maps, and accept the lowest qualified bid, the sum not to exceed \$12,000 Dollars, \$6,000 of which to be taken from surplus.

At this same Meeting it was voted to enact "Butterfield Nelson Park Ordinance." A curfew on the Park between the hours 9 P.M. and 7 A.M. Violation of this ordinance punishable by a fine of \$25.00.

REPORT OF THE TIME & TIDE RESOURCE CONSERVATION & DEVELOPMENT AREA

Time & Tide is a people program. It is sponsored and directed by the local people and gives them an opportunity to come together to develop ideas and plans for projects focusing on natural resources.

With the efforts of local people from Harpswell to Monroe serving on the council or one of the eight resource committees, much has been done to make Mid Coast Maine a better place to live and work.

Many Time & Tide RC&D measures have been completed. Some have had minimal and some major inputs from the Time & Tide Council and committees.

A printed report on a workshop on "Public Access to Water" was printed by the Department of Marine Resources. Work was done with a number of agencies and individuals regarding the technical needs of aquaculture. Lincoln County Commissioners got the recycling program going. The State Bureau of Parks and Recreation was able to complete the construction of a new State park at Damarscott Lake. The South Bristol School has carried out plans and has eliminated the critical erosion problem and improved the playground for the school. Belfast has installed some piping at the city park to help reduce erosion and flooding. Brooks has developed facilities and a program for medical assistance for the town. Much effort has been given to promote good forestry for the area.

These are only a few of the accomplishments in the Time & Tide Area. A number of towns and cities are in the process of completing projects. Does your town have problems that we might help you with?

The RC&D Program is an excellent opportunity for anyone who has an idea on how to improve the mid coast area. Attend any of the meetings and explain your idea. It might be just the one that would really make a difference. All meetings are open to everyone. Watch the newspapers for notices.

If you want more information, please contact our office on Rte. #1, Waldoboro, or phone 832-5348.

Sincerely,
WALTER S. FOSTER
For the Council

REPORT OF THE COMMUNITY BUILDING COMMITTEE

Since its inception, the Community Building Committee has investigated some avenues of federal funding. Some members met with Maine Municipal personnel to discuss possible agencies granting municipal funds. A representative from Senator Muskie's office met with the committee to offer any help available. So far, the well seems pretty dry.

If reappointed, the committee will investigate sources further and plan for the future.

If anyone has any ideas on this project please contact a committee member. Any input will be welcome.

Respectfully submitted,
CONRAD STEELS

TITLE 36 SECTION 706 M.R.S.A.

Before making an assessment, the Assessors may give seasonable notice in writing to all persons liable to taxation in the municipality to furnish to the Assessors TRUE AND PERFECT LISTS of all their estates, not by law exempt from taxation, of which they were possessed on the first day of April of the same year.

The notice to owners may be by mail directed to the last known address of the taxpayer or by any other method that provides reasonable notice to the taxpayer.

If any person after such notice does not furnish such list, he is thereby barred of his right to make application to the Assessors or the County Commissioners for any abatement of his taxes, unless he furnishes such list with his application and satisfies them that he was UNABLE to furnish it at the time appointed.

The Assessors may require the person furnishing the list to make oath to its truth. They may also require him to answer, in writing, all proper inquiries as to the nature, situation, and value of his property, liable to be taxed in the State. The Assessors are not bound to accept such list and answers as final.

GENERAL INSTRUCTIONS

“Present market cost” refers to the cost to the owner at today’s market prices PLUS FREIGHT, regardless of the original invoice cost.

Boats are taxable in the municipality in which the owner is a resident, or in the municipality in which the boat is situated, if the owner is a non-resident of the State of Maine.

If further information is needed, or if assistance is required to complete this form, call at, or telephone the Assessors’ Office.

CRITERIA FOR VETERANS’ AND VETERANS’ WIDOWS EXEMPTIONS

VETERANS

Estates of veterans, which include real and personal property, together with the interest of a spouse in property held in joint tenancy, are exempt up to \$4,000 of full valuation and only in the place where the veteran is a legal resident, provided the veteran:

- (3) Has been a legal resident of this State for at least a total of 10 years (not necessarily consecutive) prior to making claim for exemption;
- (4) Has notified in writing the assessors of the municipality in which he resides of his claim for exemption and furnished proof of his entitlement on or before April 1 (such notification once made need not be repeated in subsequent years);
- (5) Has reached the age of 62 years; or
- (6) Is receiving a pension or compensation from the United States Government for total disability, either service or non-service connected, as a veteran.

VETERANS' WIDOWS

In order for a widow of a veteran, or a member of the armed forces who died while in service during a war time period, to be exempt from taxation up to \$4000 of full valuation in the place of legal residence, she must:

- (1) Be a legal resident of the State of Maine;
- (2) Have been a legal resident of this State for a total of 10 years prior to making claim for exemption; or
- (3) Be the survivor of a veteran who was a legal resident of this State when he entered military service; or
- (4) Be the survivor of a veteran who would have been a resident of this State for at least a total of 10 years prior to making claim for exemption, if living; and
- (5) Have notified in writing the assessors of the municipality in which she resides of the claim for exemption and furnished proof of entitlement on or before April 1 (such notification once made need not be repeated in subsequent years);
- (6) Be unmarried (the divorced wife of a veteran or the remarried widow of a veteran is not eligible for exemption);
- (7) Be herself receiving, regardless of her age, a pension or compensation as a widow of a veteran from the United States Government; or
- (8) Be a widow of a veteran who would be entitled to such exemption if living.

NOTE: When a qualified veteran dies intestate leaving property and is survived by a widow and a minor child or children, they are jointly entitled only to a single exemption of up to \$4,000 of full valuation.

AUDITOR'S REPORT

Board of Selectmen
Washington
Maine

Gentlemen:

In accordance with Title 30, Section 5253, Revised Statutes of 1964, and at your request, we have audited the records of the Town of Washington for the period January 1, 1978 to December 31, 1978.

The examination was made in accordance with generally accepted auditing standards applicable in the circumstances and included all procedures which were considered necessary. Insofar as could be ascertained within the scope of the examination, the financial transactions of the Town appear to have been appropriately handled.

Exhibits and schedules included in this report impartially present the financial position of the Town and the result of its operations for the period designated.

Comments and other data incorporated in this report may prove of interest to you, all of which is respectfully submitted.

Very truly yours,
SAWYER & SAWYER

COMMENTS

January 1, 1978 to December 31, 1978

An audit has been completed of the financial records of the Town of Washington for the municipal year ended December 31, 1978. The audit included an examination of the records maintained by the various officers of the Town. The examination included a review of cash transactions and an analysis of available funds and expenditures. The results are incorporated in the following text, exhibits and schedules.

ASSETS . . . The cash balance of \$45,607.77 was reconciled with the statement furnished by the Camden National Bank, Camden, Maine, and count of cash on hand.

Taxes receivable of \$20,195.29 consisted of uncollected current year's accounts of \$17,833.20 and unpaid prior years' accounts of \$2,362.09 dating from 1967.

Transactions affecting tax liens and tax acquired property were reviewed. Unpaid accounts were reconciled with the balances shown on the records of the Selectmen.

RESERVES . . . Departmental accounts reflect an unexpended balance of \$22,895.75 being carried forward to the 1979 municipal year in accordance with legal requirements and/or as customary.

SURPLUS . . . The unappropriated surplus of \$39,229.62 at the year's end displayed a decrease of \$15,619.98 as compared with the preceding year. An analysis of this decrease is shown on Exhibit E.

CAPITAL RESERVE FUND . . . The community building fund with accumulated interest totaled \$1,362.70.

TRUST AND SPECIAL FUNDS . . . The total amount of trust and special fund principals was \$30,615.47 and undistributed income amounted to \$15,435.11. The total principals and income are invested as follows:

Time Deposits	\$44,248.05
9 sh. First Nat'l Bank of Portland	100.00
Due from General Fund	<u>1,702.52</u>
	<u>\$46,050.58</u>

SCOPE OF AUDIT . . . The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and cancelled checks were examined for a selected period.

Excise tax collections were verified with the copies of the receipts retained by the Collector.

In our opinion, subject to the foregoing comments, the accompanying balance sheet and supporting information fairly present the financial position of the Town at December 31, 1978, and the result of its operations for the year then ended.

Dedication

FRED L. LUDWIG

We dedicate our 1979 Town Report to Fred L. Ludwig. Fred, oldest resident and holder of the Boston Post Cane was born November 22, 1883 in Liberty, Maine. He has been a resident of Washington for many years. He has taught school, served as Supt. of Schools and is very active in Grange, Masons, Knox County Fish and Game Association, and several other organizations.

For 48 years Fred owned and operated F.L. Ludwig's General Store in the village, and for 37 of those years he was Postmaster for the Town of Washington. Fred is still an active member of this community. Each spring he plants his garden and helps civic groups and organizations after his winter vacation in Florida. He recently established the Fred L. Ludwig Family Memorial Scholarship at the Medomak Valley High School to be awarded annually to a senior from Washington.

Distribution Of Your Tax Dollars

The Town of Washington is a growing community, both in population and construction of new buildings. There were over thirty new buildings in Town this year. We have reached a valuation of \$13,500,000.00 and the state projects \$15,000,000.00 for 1980. Many of us find this hard to comprehend, but with real estate selling at an all time high, we find they may be right. These figures are based on recent sales information from our town.

Local government is getting more time consuming each day. This year, in addition to meeting state requirements for assessing at 100% valuation, we were also required to meet what they term "quality rating" or "coefficient of dispersion." This involved making a sales ratio study of all property sold during the past year. We were expected to assess all property in comparison to the sales in Town at fair market value. By law, we were expected to reach a "quality rating" of 25 or

less in 1979 or the state would require a revaluation by a professional firm. I am happy to report we met the requirement with a quality rating of 17.

Because this is such a time consuming task we find it takes much longer to get the tax commitment ready for the tax collector. Therefore, our tax bills are later arriving than we would like.

Drawing from surplus, as we have been doing in recent years, cuts down on our cash flow. The Town relies on tax money to pay its bills. Each month we have certain commitments which must be met. For example, our school payments are almost \$11,000.00 each month. Add to this the usual bill for lights (street lights), telephone (Red Line Warning System), and of course insurance premiums must be paid on time. Also add wages for people working for the town. Elected officials on salary do not draw their money until December.

Another state requirement is a "Sludge Pit" for the Town of Washington. In 1977 we joined with the Town of Jefferson to operate a sludge pit on the Blackburn property on Route #126. This year the Department of Environmental Protection inspected the property. We installed two "test wells" so they (DEP) may inspect and test the soil to be sure we are meeting regulations. We must now install a holding tank for use during winter months.

We have been fortunate that there are so many federal and state programs to help those on low and fixed-incomes. This has helped the welfare account. We also try to encourage people needing assistance to work for the town or reimburse the town. This has kept the welfare account from being depleted.

The first Friday of each month the Town Hall is now in use. For three years I have been collecting and distributing used clothing to Washington residents. This past winter we decided to call it a "Clothing Exchange." We invite Washington residents to participate in this recycling of clothing. There is no money involved. Clothing is brought for exchange. This program is for everyone on the first Friday of every month from 1:30 to 2:30 p.m. I wish to thank those volunteers who have helped me on those cold Fridays. At Christmas time, toys were collected and distributed to those needing a helping hand. Many families have participated in the Clothing Exchange and we hope many more will join us this year. We ask that clothes be clean, mended and sized if possible.

I would like to thank the personnel at Prescott Memorial School and the Farrar-Ross VFW Post for the use of their buildings for elections and meetings and Rock Maple Realty for their free services for the town this year. Your help was greatly appreciated.

Dorothy Sainio

Road Commissioner's Report

The year has been unpredictable on material prices and state hourly rate. The spring started out with culverts needing to be reset on several roads. Replacements on Sprague Road doing away with a small bridge, other roads were Med-O-Lark, Dorman, Nelson Ridge and a number on the County Road. Washouts from spring rains were filled, and the town's tarred roads were patched three different times this year. Gravel was placed on Mountain Road, Crystal Lake, Prescott, Med-O-Lark, lane at West Washington, Fitch, Nelson Ridge, Dorman, Sprague and County Roads. Grading was done both spring and fall with the truck-drawn grader. The improved roads being graded this summer by a power grader and calcium placed on them. Some ditching was done on Hopkins, Mountain and County Roads. Mowing was done on all town roads this year. Brush cutting this year was done on Crystal Lake and Mountain Roads.

I would like to note that the Mountain Road is the last of the bushes needing to be cut.

The tar money this year was spent on the Vanner Road.

In the year 1980, I foresee replacing planks and beams on Skidmore Bridge and planks on Bump Hill Bridge. Ditching work needs to be done in some places. Culverts need to be replaced on Mountain Road. Retarring town roads is greatly needed. This account needs to be increased to meet the high cost of tarring.

TITLE 36 SECTION 706 MRSA:

Before making an assessment, the Assessors may give seasonable notice in writing to all persons liable to taxation in the municipality to furnish to the Assessors TRUE AND PERFECT LISTS of all their estates, not by law exempt from taxation, of which they were possessed on the first day of April of the same year.

The notice to owners may be by mail directed to the **last known address** of the taxpayer or by any other method that provides reasonable notice to the taxpayer.

If any person after such notice does not furnish such list, he is thereby barred of his right to make application to the Assessors or the County Commissioners for any abatement of his taxes, unless he furnishes such list with his application and satisfies them that he was **UNABLE** to furnish it at the time appointed.

The Assessors may require the person furnishing the list to make oath to its truth. They may also require him to answer, in writing, all proper inquiries as to the nature, situation, and value of his property, liable to be taxed in the State. The Assessors are not bound to accept such list and answers as final.

GENERAL INSTRUCTIONS

“Present market cost” refers to the cost to the owner at today’s market prices PLUS FREIGHT, regardless of the original invoice cost.

Boats are taxable in the municipality in which the owner is a resident, or in the municipality in which the boat is situated, if the owner is a non-resident of the State of Maine.

If further information is needed, or if assistance is required to complete this form, call at, or telephone the Assessors’ Office.

VETERANS

Estates of veterans, which include real and personal property, together with the interest of a spouse in property held in joint tenancy, are exempt up to \$4,000 of full valuation and only in the place where the veteran is a legal resident, provided the veteran:

- (1) Is a legal resident of the State of Maine;
- (2) Was a legal resident of this State when entering military service; or
- (3) Has been a legal resident of this State for at least a total of 10 years (not necessarily consecutive) prior to making claim for exemption;
- (4) Has notified in writing the assessors of the municipality in which he resides of his claim for exemption and furnished proof of his entitlement on or before April 1 (such notification once made need not be repeated in subsequent years);
- (5) Has reached the age of 62 years; or
- (6) Is receiving a pension or compensation from the United States Government for total disability, either service or non-service connected, as a veteran.

VETERANS' WIDOWS

In order for a widow of a veteran, or a member of the armed forces who died while in service during a war time period, to be exempt from taxation up to \$4,000 of full valuation in the place of legal residence, she must:

- (1) Be a legal resident of the State of Maine;
- (2) Have been a legal resident of this State for a total of 10 years prior to making claim for exemption; or
- (3) Be the survivor of a veteran who was a legal resident of this State when he entered military service; or
- (4) Be the survivor of a veteran who would have been a resident of this State for at least a total of 10 years prior to making claim for exemption, if living; and
- (5) Have notified in writing the assessors of the municipality in which she resides of the claim for exemption and furnished proof of entitlement on or before April 1 (such notification once made need not be repeated in subsequent years);
- (6) Be unmarried (the divorced wife of a veteran or the remarried widow of a veteran is not eligible for exemption);
- (7) Be herself receiving, regardless of her age, a pension or compensation as a widow of a veteran from the United States Government; or
- (8) Be a widow of a veteran who would be entitled to such exemption if living.

NOTE: When a qualified veteran dies intestate leaving property and is survived by a widow and a minor child or children, they are jointly entitled only to a single exemption of up to \$4,000 of full valuation.

Mid-Coast Regional Planning Commissioner

The Eastern Mid-Coast Regional Planning Commission is a voluntary association of towns, cities and counties serving 32 communities in Knox and Waldo Counties. Each member may appoint two voting representatives to the Commission. A nine member Executive Committee, elected from these representatives, meets approximately monthly to direct the activities of the Commission.

The paid staff of the Commission includes a Planning Director, Planner, and Secretary/Administrative Assistant. Commission offices are located at 10 Summer Street, Rockport, and are open from 8:00 a.m. to 4:00 p.m. (Tel. 236-8408). The annual budget for 1978-79 was \$48,941.00, about 25% from local sources.

During 1979, the Commission completed a two-year contract with the Department of Environmental Protection under the "208" Area-wide Water Quality Management Program. This program will study solid waste, septage, lake management and water quality problems in 1980. The EMCRPC has assisted Friendship, Cushing, Thomaston, Warren, Rockport and Vinalhaven under the Coastal Zone Management Local Contract Program. Activities have included a solid waste management study, harbor planning assistance, a natural resources inventory, and comprehensive planning assistance.

The Commission will be preparing a Transit Development Plan for public transportation during 1980, and is cooperating with the Southern Mid Coast RPC to prepare Annual Operations Plans for publicly assisted transportation in Knox and Waldo Counties. The Commission has a 17 member Transportation Committee.

Local assistance requested by the towns has included preparation of ordinances and maps and review of subdivision proposals. Monthly newsletters are sent to area towns and occasional meetings are held on topics of interest to the public.

The Commission cooperates closely with the Eastern Maine Development District on matters affecting economic development and is a sponsor of the Time and Tide Resource Conservation and Development District.

The Executive Committee includes the following:

Chairman, Walter S. Foster, Friendship

Secretary, Jeffrey Evangelos, Warren

Treasurer, R. Paul Weston, Rockport

James Aldus, Searsmont

F. Edward Dodge, Owl's Head

Estella Draper, Cushing

William B. Keswick, Waldo County

Volunteer Fire Department Report

On February 11, 1980 forty-nine active members participated in the annual meeting. New by-laws were enacted upon and several new committees were established.

The Washington Volunteer Fire Department being a non-profit organization depends on donations, money from fund raising projects, in conjunction with funds appropriated at the annual Town Meeting.

In this day and age with real estate values at an all time high, the homeowners cost of Insurance is much higher than in the past. With a vigorous and active Fire Department it should give the homeowner a greater feeling of safety and security. Your donations and support are graciously solicited.

Our meetings and activities are open to all regardless of length of residence. Meetings are the second Monday of each month at 7:30 p.m. at the Prescott Memorial School Cafeteria.

Respectfully submitted,
PETE STEELE, President

Mrs. Dorothy Sainio
First Selectwoman
Washington, Maine 04574

Dear Mrs. Sainio:

It has recently come to our notice that the citizens of Washington, Maine, have voted to ban smoking at their town meetings. Through you, we would like to congratulate the people of your community for taking this action. Restricting smoking at public meetings says you care about the health and comfort of your neighbors and that you believe that no citizen should be denied access or participation in town affairs because of the difficulties many persons experience when exposed to smoke-filled rooms.

With all good wishes,

Sincerely,
GEORGE T. NILSON
Executive Director

Report Of The Time & Tide Resource Conservation & Development Area

Time & Tide is a people program. It is sponsored and directed by the local people. It is a base for people to come together to plan and - more important - develop and carry out projects focusing on natural resources.

The Program of Action has been supplemented and brought up to date. Supplement #4 gives an overview of the Time & Tide RC&D activities. Copies are available at the Time & Tide office, Route #1, Waldoboro.

Through the efforts of people working together the following measures were completed this year: Woolwich recreation facility, Wiscasset Middle School water control and recreation, Owls Head tennis court, South Thomaston tennis courts, Boothbay boat ramp, Camden parking lot, Bremen recreation area, Harpswell Cemetery erosion control. There are also many measures that are in progress, such as: Lincolnville recreation, Rockland recreation, Rockport tennis, Boothbay Harbor community field, Bath recreation, Waldoboro public land, Thomaston recreation and Warren tennis courts.

Some of the activities of the committees included development by the Energy Resource Committee of a firewood consumers guide. They have also developed an energy conservation project for mobile homes. The Forest Resource Committee has been active, holding many workshops and adult education programs at different schools. The Information Committee continues to publish a monthly newsletter

sent to 1100 persons in the Time & Tide Area. The Ocean Resource Committee worked on promoting inexpensive fish ladders as well as providing information for fishermen. The Recreation & Tourism Committee held well attended snowmobile coordination meetings. The Soils & Land Use Committee held workshops on wastewater disposal. The spinoff of the Agriculture Resource Committee is the Mid-Coast Agricultural Resource Center (MARC), which helped to re-establish the Prison Farm in Warren.

Anyone who wishes may become part of the Time & Tide RC&D. If you're interested and want to know more, or think we can help, contact your town officials or the Time & Tide office, Route #1, Waldoboro, ME 04572 or phone 832-5348.

Sincerely,

WALTER S. FOSTER

Auditor's Report

March 3, 1980

Board of Selectmen
Washington
Maine

Gentlemen:

In accordance with Title 30, Section 5253, Revised Statutes of 1964, and at your request, we have audited the records of the Town of Washington for the period January 1, 1979 to December 31, 1979.

The examination was made in accordance with generally accepted auditing standards applicable in the circumstances and included all procedures which were considered necessary. Insofar as could be ascertained within the scope of the examination, the financial transactions of the Town appear to have been appropriately handled.

Exhibits and schedules included in this report impartially present the financial position of the Town and the result of its operations for the period designated.

Comments and other data incorporated in this report may prove of interest to you, all of which is respectfully submitted.

Very truly yours,
SAWYER & SAWYER

COMMENTS

January 1, 1979 to December 31, 1979

An audit has been completed of the financial records of the Town of Washington for the municipal year ended December 31, 1979. The audit included an examination of the records maintained by the various officers of the Town. The examination included a review of cash transactions and an analysis of available funds and expenditures. The results are incorporated in the following text, exhibits and schedules.

ASSETS. . .The cash balance of \$37,408.82 was reconciled with the statement furnished by the Camden National Bank, Camden, Maine, and count of cash on hand.

Taxes receivable of \$30,059.07 consisted of uncollected current year's accounts of \$27,688.04 and unpaid prior years' accounts of \$2,371.03 dating from 1967.

Transactions affecting tax liens and tax acquired property were reviewed. Unpaid accounts were reconciled with the balances shown on the records of the Selectmen.

RESERVES. . .Departmental accounts reflect an unexpended balance of \$24,080.30 being carried forward to the 1980 municipal year in accordance with legal requirements and/or as customary.

SURPLUS. . .The unappropriated surplus of \$43,373.47 at the year's end displayed an increase of \$4,143.85 as compared with the preceding year. An analysis of this increase is shown on Exhibit E.

CAPITAL RESERVE FUND. . .The community building fund with accumulated interest totaled \$1,447.19.

TRUST AND SPECIAL FUNDS. . .The total amount of trust and special fund principals was \$30,915.47 and undistributed income amounted to \$16,801.01. The total principals and income are invested as follows:

Time Deposits	\$45,913.95
9 sh. First Nat'l Bank of Portland	100.00
Due from General Fund	1,702.53
	<hr/>
	\$47,716.48
	<hr/>

SCOPE OF AUDIT. . .The system of internal control was reviewed as pertained to the handling of cash and other matters of financial concern.

An analysis was made of receipts and deposits as well as expenditures and negotiated checks. Vouchers, payrolls and cancelled checks were examined for a selected period.

Excise tax collections were verified with the copies of the receipts retained by the Collector.

In our opinion, subject to the foregoing comments, the accompanying balance sheet and supporting information fairly present the financial position of the Town at December 31, 1979, and the result of its operations for the year then ended.
